Permission to Use Novocure's Images

Dear QLife
4-3-9, Toranomon,
Minato-ku, Tokyo 105-0001
E-mail: reiko@evidence-inc.jp

We understand that you would like permission to use Novocure's owned or copyrighted images in your planned submission entitled "**Feature article on brain tumor**" authored by **Yuko Hanzawa** reviewed by Ryo Nishikawa appearing in **Website of GAN (cancer) support**.

Therefore, we hereby grant you, QLife ("Licensee") a non-exclusive, non-transferable license (with no right to sublicense) to use Novocure's Images subject to the following terms and conditions.

This permission extends only to those Images, identified on Exhibit A attached hereto. Licensee agrees to use the Images for educational or informational purposes only, which shall include use in publications. Any commercial use of the Images is strictly prohibited. Licensee agrees not to use the Images to compete against Novocure or to use the Images in any manner that could be detrimental to Novocure's business, image and/or reputation.

This permission is nonexclusive and non-assignable. Novocure may terminate this permission at any time and for any reason. Licensee's use of the Images is not limited to any defined territory.

Sincerely,

Novocure, Inc.

Mike Ambrogi
Chief Operating Officer
